BRYAN'S EYE ON MOVIES

Ant Man PG 13 ***

Scott Lang, who is a first class thief, is released from jail and can stay out as long as he will do good things. Still, he is having trouble being a good man.

He decides to rob a house of Dr. Hank Pym who is actually an inventor of shrinking technology. Dr. Pym convinces Scott to put on his invention, a special superhero suit, and he becomes the shrinking super hero, Ant Man. He gets another chance to do good and manages to prevent the enemy, Yellow Jacket, from using this shrinking technology for evil purposes.

This is a good story and the lesson to be learned is this: It is always good to try to correct the bad things we have done.
