WHY CEDARCROFT HOME ?
THE NUMBER ONE REASON.....WE CARE!

Our Mission Statement
Matthew 25:31-46
Volume 18 Issue 1

January 7, 1935, a day that will live on in...well, maybe not infamously, but one to remember for sure! Well...maybe famously, at least to the ones knowing the significance of the day. It's a day of song, a familiar song, one sung at the anniversary of everyone's arrival on this planet. Such a person arrived on this planet 80 years ago, and his impact here will last far longer than the last time his anniversary song will be sung.

His four score years here have resulted in the changed lives of so many. The two score I am aware of—his latter two—have seen changes in lives beyond measure, and it's because of this one man's vision.

The initials T.A. could stand for many things: train arrival, totally awkward, talks a lot, Type A, time addicted, use your imagination; but the true significance of January 7, 1935 should be found in the term, *Truly Altruistic*. The one who has this characteristic has the same initials, T.A.

In this instance, altruism perfectly defines this T.A. which is his unselfish concern and devotion to the welfare of others. His character—and he *is* a character—is know by all who have encountered him. Funny, witty, loves to throw you off guard, can make you believe the tallest tale, and when you find out that it is not true, makes you laugh all the harder; all this I believe he cleverly uses as a smoke screen to hide his selfless devotion to others.

To borrow a phrase from the younger generation, the two "T.A.s" I would like to put together would be...Tommy Bryan...Totally Awesome! Happy Birthday Boss!

BRYAN'S EYE ON MOVIES **The Hobbit, The Battle of the Five Armies** PG 13 ***

In this Hobbit movie, the evil dragon, Smaug, is killed and the Dwarves flee to Dale. Thorin, the lead Dwarf, turns evil and tries to get the magical Arkenstone. Thankfully, Thorin gives up his evil ways and defeats the Orks, monster creatures who hate the Dwarves. There is much more to this story but you will have to see it for yourself. This movie is more violent and intense than previous Hobbit movies, but still worth seeing.
