WOW!

Lots going on here... fishing, Cooter's Place (Dukes of Hazzard Museum), the park, and how many rubber bands can you put around a watermelon before it explodes?

To the right:

BRYAN'S EYE ON MOVIES

TEEN AGE MUTANT NINJA TURTLES -
OUT OF THE SHADOWS

Rated PG - 13 *****
(still in movie theaters)

In a previous movie, Master Shredder (a very bad guy) is jailed with the help of the Ninja Turtles. In this new movie, his side kick, Baxter Stockman, tries to break him out of jail. During this time, Shredder is accidentally teleported to another dimension and he teams up with a very bad alien named Krang. The Ninja Turtles ban together with special allies to get rid of these bad guys. You'll have to see the movie to see what happens !!The message to learn from this movie is that we all make mistakes and nobody is perfect. We need to accept who we are.
