BRYAN'S EYE ON MOVIES

Zootopia PG *****

Judy Hopps, the main character, wants to be a police officer in the city of Zootopia. Zootopia is a town comprised only of animals. She finds her new police job difficult to do. She tries to prove herself in her role by investigating why all the animals of Zootopia have turned savage. There are a lot of exciting twists and turns in this wonderful story. I can't tell you the ending, but it is sure to make you smile. The positive message of this movie is the following: You can be anything you want to be if you concentrate on the task and believe in yourself.
