BRYAN'S EYE ON MOVIES

Spectre

**** PG 13

A message from James Bond's past leads him on a mission to destroy Spectre, a sinister organization determined to destroy anything good. Bond works with Moneypenny and Q to track down the evil mastermind. This movie is a winner ! The movie has some violence and torture scenes so it is not for everyone. It is however filled with great stunts and special effects and is sure to blow you away !!
