The
guys
writing
their
good-
bye's to
Mike....

After 10 years of faithful
service, we celebrate
the retirement of our
company clown, Mike
"The Marvelous
Maintenance Man"
Montgomery.

Cedarcroft will never be
the same without your
quick wit and always
upbeat outlook! You are
truly "one in a million"!
God Bless You Mike!

Mike's retirement party
brought out Cedarcroft
alumni from long ago!

For those of you who like
giving to worthy causes,
please remember our
dental fund that we use to
help residents get teeth
pulled. Their insurance
does not cover dental so
when they have a dental
need, we try to pay for
them. We also need funds
for eye care and glasses,
another area not covered
by their insurance. Please
send tax deductible gifts to:
Cedarcroft Home, PO

greatly appreciated!

BRYAN'S EYE ON MOVIES

THE JUNGLE BOOK

***** rated PG

Mowgli, a human "man cub" is raised by a pack of wolves and also advised by a black panther Bagheera. Shere Khan, the bad tiger, wants Mowgli dead because he believes that Mogli might convince humans to turn against the wolf pack and other jungle animals. Both the loveable bear, Baloo, and Bagheera decide to take Mowgli back to the "man village" to keep him safe. But Mowgli decides he is going to help animals. He brings "fire" into the jungle and plans to get rid of Shere Khan with all the animals helping. The movie has a lot of fun songs and dancing and special effects. The message to the audience is to fight for what you believe in and don't give up. I highly recommend this movie!
