## BRYAN'S EYE ON MOVIES

**Pete's Dragon (2016) \*\*\*\*\*** Rated PG

A young boy, Pete, is involved in a car crash which kills his parents. Pete survives but is alone. Elliott, the dragon, chases away the wolves who are about to attack him and takes care of Pete in the forest for six years. One day, a park ranger finds Pete and takes him to the hospital. When he is discharged, she takes care of him since he has no parents. Elliott is captured by the saw mill construction workers who intend to display the dragon for fame and fortune. Their plans are ruined by Pete and the park ranger who set Elliott free! Pete wants to stay with Elliott but his dragon friend convinces Pete to live with his newly adopted family, where he will be safe. This wonderful movie tells us that even if you are adopted you can still love and be loved!
