Do we have a vandal here? Naw, it's just Eric trying to get Claude's TV working.

Just being silly and having fun!

Helping out & working hard to fill the soda machine while Miss Bridget is on vacation.

Nothing like a cool day to rock on the front porch!

BRIAN'S EYE ON ENTERTAINMENT Wonder Woman

PG- 13 ***** (recommended for 12 yrs old and up)

Diana is trained to be a powerful Amazon Warrior. She becomes Wonder Woman and rescues a British pilot who is trying to battle the bad Germans. Together they work to defeat the Germans and the evil General Ludendorff. The lesson learned from this movie is that women can be strong leaders and we all have special qualities which can be used together to accomplish feats of greatness !! Wonder Woman will return in another movie, Justice League, which is coming out later in the winter of this year.
