BRIAN'S EYE ON ENTERTAINMENT Guardians of the Galaxy.

Volume 2 PG 13 *****

This is a story about the son (Peter Quill) of the original hero of the first movie Guardians of the Galaxy. Peter is fighting some bad people who want to destroy the galaxy. There are a lot of fight scenes and very funny things that happen. Peter's space ship crashes on an alien planet. His long lost father, Ego, helps him to escape. Unfortunately, Ego is really an outlaw who is using Peter to try to destroy the galaxy. The end of the movie has a surprise ending!

This movie is an excellent combination of funny and serious events. The message from this movie is : Things are not always what they seem to be, however, you can rely on your friends to get you through the toughest times.

Many thanks to the students of McClain Christian Academy working hard on our landscape to make us look good! And a huge thank you to Edwina Reeder, Master Gardner, for heading this project!
