### BRIAN'S EYE ON ENTERTAINMENT

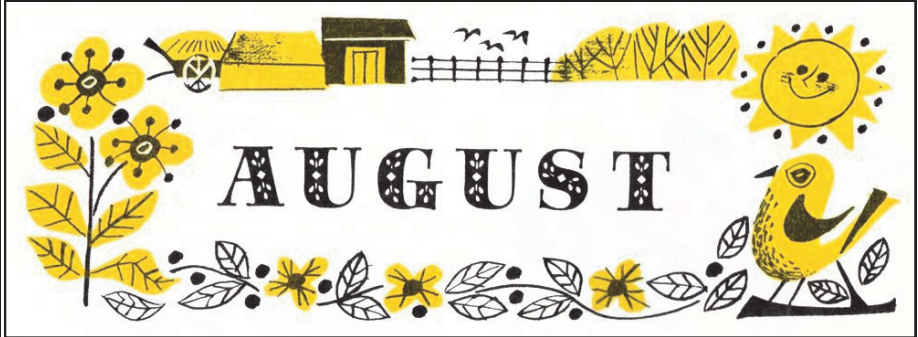

JURASSIC WORLD FALLEN KINGDOM  
PG 13 \*\*\*\*\*

Owen and Claire try to save the island of Isla Nublar and the dinosaurs who live there, because there is a volcano which is predicted to erupt at any time. There is a good ending but the journey is very exciting, full of special effects and amazing computer generated volcanic eruptions. In the words of the famous Ian Malcom "life always finds a way"! The dinosaurs will survive. Watch this movie and find out what happens! The lesson of this movie is : we need to take care of all the animals of our world. At the end of this movie, there is a surprise trailer for the third Jurassic World movie.
