Our Mission Statement
Matthew 25:31-46

HO HO HO NO!!!!!! Only 3 months till Christmas! So our busy little elves are here working hard to get things started for our Adopt-A-Resident program. If you are not familiar with this, it is where we ask you to “adopt” one of our fellows for Christmas. We will get their wish list for you and ask you to get as much as you want from their list, wrap it with their name on the tag, and bring it to us no later than December 10. Then on Christmas Eve we have a big gift-opening party for them with Christmas cookies, punch, hot chocolate and lots of fun! Most of our residents do not have family to care for them, so this program is so important for their holiday! To get your wish list, for as many residents as you would like, please call or e-mail Bridget at 615-449-0825 or bridget@cedarcrofthome.org Thanks a bunch for helping our guys to have the merriest Christmas possible!

BRIAN'S EYE ON ENTERTAINMENT

Kin , The movie (PG 13 rated) *****

This movie is about a young boy who is kicked out of school. While he is poking around the local trash dump, he finds an unusual looking weapon (Extraterrestrial gun). He keeps it and ends up using it to defend himself and his brother from an evil guy who is chasing them. This is a story about two brothers getting close and fighting evil together. They make friends with the Extraterrestrial (ET) being who comes back to get his weapon. In end, the ET being is very helpful to these guys. The lesson learned from this movie is: don't take anything that doesn't belong to you. It could get you in a whole lot of trouble !!
