BRIAN'S EYE ON ENTERTAINMENT

Captain Marvel PG 13 *****

The movie about a woman super hero named Captain Marvel. She crash lands into a Block Buster Video Store in the 1990s. Nick Fury, Agent of Shield (a good guy) shows up to the store and he tells her she needs to come with him. She's lost her memory! She runs away but later, she ends up battling some bad guys. She sees some other alien good guys who try to refresh her memory about her past history of being in the Air Force. This story has many twists and turns in the plot. Nick Fury puts the Avenger Superheros as a team and Captain Marvel is one of them. You will love this movie ! It's a long movie about 2 1/2 hrs but it goes fast! This movie is dedicated, in loving memory, to Stan Lee, founder of all the Marvel Comics Super Hero's !!!
