BRIAN'S EYE ON ENTERTAINMENT Aqua Man ***** PG13

This movie is a story about Arthur who is born out of a marriage between his Earth Father, Thomas, and his Ocean Mother, Atlann. The plot is all about how Arthur grows up and realizes he is supposed to be King of the Ocean people. Eventually wicked Ocean people are destroyed, Atlann and Thomas reunite and Arthur is the true Ocean King. This is a very good story and the life lesson here is that you cannot run away from your true responsibilities of life and also true love always wins !
You should wait until the very end of the movie so you can see the surprise ending!
There is a hint of things to come.
