

WHY CEDARCROFT HOME? #1 REASON, WE CARE!

January 2019

To All of Our Faithful Supporters, Both Old and New!

Many, many thanks for all the wonderful donations to help our residents, not only at Christmas, but all through the year. We have been blessed to have every priority one resident (those with no family that can help) adopted with plenty of presents to open, and oh, what a fun time they had opening them! They were so excited to see all they were given! We are also grateful for all the supplies to help get us well into the new year. Toiletries, socks, underwear, etc. I felt overwhelmed by all the generosity! Folks kept driving up to drop off boxes and boxes of personal care items all month. Extra special thanks to the Humphreys Family and all their elves for coming on Christmas Day to grill steaks for the men's Christmas dinner! I pray that all who gave in any way will be blessed beyond all you can ask or imagine in 2019!

Happy New Year!

BRIAN'S EYE

ON ENTERTAINMENT

Robin Hood PG *****

In the beginning of this movie Robin Hood meets his girlfriend, Marian, for the first time. They have a good time until Robin Hood has to go fight a war for the evil Sheriff of Nottingham. Robin Hood leaves the battle and comes home where Friar Tuck, his friend, explains that everyone has been taxed by the Sheriff to fund the bad war and now people are very poor. Robin Hood makes friends with Little John. He helps Robin Hood by training him and teaches him how to be a better archer. Together, they defeat the bad Sheriff of Nottingham. He reunites with Marian. Will the next sheriff be just as bad? There may be another movie made in the future to answer this question!
