BRIAN'S EYE ON ENTERTAINMENT

Aladdin (2019) PG *****

This is the new live action version of the old Disney movie, Aladdin. If you liked the old movie, you'll love this new one. It is full of great songs, comedy and romance. It is good for people of all ages. The best part about this movie is that it is full of positive messages of overcoming evil and believing in your dreams. This movie has a happy ending. I very much recommend that you go and see it.
