BRIAN'S EYE ON ENTERTAINMENT

Terminator, Dark Fate (coming soon)
Arnold Swartznager is back with Linda Hamilton. There's no word yet on the details of his movie or the MPA rating but it is expected to be released later this year. James Cameron will be directing this movie.
The Terminator seems like a tough mean character but he is actually nice to people most of the time. For you movie fans of The Terminator, this might be the best movie yet.
