BRIAN'S EYE ON ENTERTAINMENT

A Dogs way Home PG *****

This is a story about a pit bull mix puppy named "Bella" who is raised by a man named Lucas. Bella has to be kicked out of the home because the law says no pit bulls are allowed in Colorado. She is taken to the Dog Pound and is later released. She runs away from her new foster home and wanders around trying to find Lucas again. She lives in the woods and meets and makes friends with a cougar momma and her baby cat. For several years, she helps save animals and people from bad circumstances. She finally finds her house but Lucas is no longer there. You should watch this movie to see what happens. This movie is good for all ages.
