winter blues!

Spring is almost here! The Board of Directors and Management of Cedarcroft would like to say a "special thank you" to all the staff who have worked so tirelessly through the past year of the tornado in March, the derecho in May, the year of Covid, the ice and snow storm in February.....Through it all our staff has been faithful to their job and the men of Cedarcroft, many working 60 plus hours a week to make sure all shifts are covered and we are in compliance with state law.

Thank you Staff! We can't do this ministry without each and every one of you. You are needed and appreciated! God Bless you!

Brian's Eye on Entertainment

Indiana Jones and the Last Crusade *** PG 13**

(An old movie but a real good one !)

Professor Indiana Jones goes to rescue his father who is at a German Prison Camp. While he is there, both work together to find the cup of the Holy Grail before the Germans succeed.

The reason I like this movie so much is that it is full of thrilling adventures. Also, this movie uses stories about the Holy Grail found in Christianity along with modern special effects.

The ending is a surprise and unexpected, but you'll have to watch it and see for yourself what happens!
