Our Mission Statement  
Matthew 25:31-46

It was a very chilly day for the Easter Egg Hunt, but that didn't stop our guys from looking for dozens of eggs! Was it the candy or the coins that spurred them on? Maybe a little of both!

The three amigos,  
three musketeers or  
three stooges?

Outing!

### Brian's Eye on Entertainment

Godzilla vs Kong PG 13 Movie Review

People are shocked to find out that Godzilla and Kong no longer good creatures. They continue to destroy their city. Scientists create an evil robot, Mega Godzilla in order to fight Godzilla and Kong. Unfortunately he is even more destructive. Mega Godzilla needs to be eliminated too. Kong is also friendly with a little girl who communicates with him through sign language. She tells him to go to Skull Island. Kong goes there and realizes that the evil scientists have taken the blue gemstones that have secret creative power to create more monsters like Mega Godzilla. At the end of the Movie, Godzilla and Kong are almost defeated by Mega Godzilla, but.....They succeed in destroying him piece by piece. Finally, Godzilla and King Kong are now friends and heroes!

If you love Godzilla movies, this is a good one !
